RULES

All regular and playoff games count. Payout is based on the total number of entries.

We will pay the top 5% of all the entries plus last place. We have 94 entries this season, so the top 5 people (not positions) will be paid. We are using an averaged payout system. In case of a tie, the prize pool will be averaged among the winners for each position. By submitting your entry, you have agreed to the rules. NOTE: Payout for last place will be shared (not averaged) if there is more than one winner.

Bonus Pool Rules

You must be entered in the Main Pool to participate in the optional Bonus Pool. Points earned will be the same as in the Main Pool, and the Bonus Pool will be limited to groups of approximately 150 entries. If there are more than 150 total entries, additional Bonus Pools will be created with an equal number in each, and there could be less than 150
